## MESSAGE FROM THE ORGANIZING COMMITTEE

It's with great pleasure and satisfaction that we present the **PORTO INTERNATIONAL HIP 2024**, which marks the 8<sup>th</sup> edition of this event.

The success of the previous editions has only been possible due to the generous and interested help provided by our partners in the industry.

The realization of this event is only possible by investing in the maintenance of the mutual-help relationship that has been created over the last years. We strive to find conditions that meet the interests and expectations of the Industry that sponsors us, by both planning ample and comfortable exhibit spaces and by including in our congress activities that help commercial reach.

We hope we can count on your support.

It is with great satisfaction that we present the 8<sup>th</sup> Edition of the Porto International Hip Meeting.

The 2024 edition, at the Sheraton Porto Congress Center, will allow us to improve the conditions we offer our sponsors, as it significantly increases the commercial exhibition area. We seek to improve the communication between congress participants and delegates, with a series of incentives, such as:

- **Drawing of 2 tablets:** one among participants who travel a minimum number of congress stands (70%) and a second tablet for those who hit a list of questions related to the materials presented in all commercial stands:
- **Congress Official App** will allow to send **promotional messages**;
- **Auxiliary Rooms** will be available at a cost to hold **Lunch Symposiums and Workshops** during the congress.
